- Microphone noise reduction: N/A
- Call control: N/A
- Limited warranty: 2 years
- Model number: M22
- MSRP (USD): $120.00

---

**Technology Legend**

**Smart Sensor™ Technology**
Built-in sensors deliver automatic functionality like answering a call by placing the headset on and automatically transferring calls between mobile phone and headset.

**Wideband**
Frequency range up to 6,800 Hz. Meets TIA-920 standard for genuine wideband response.

**A2DP**
A Bluetooth® profile that allows high quality audio content to be streamed from one device to another. Listen to streaming media, music and navigation through your headset.

**AudioIQ²**
Keeps calls clear in any environment. Automatically adjusts calls to a comfortable listening level.

**SoundGuard®**
Acoustic limiting for protection against sounds above 118 dBA.

**SoundGuard DIGITAL™**
All the benefits of SoundGuard, plus anti-startle protection which detects sudden increase in sound and eliminates the increase, and Time Weighted Average (TWA) measurement which prevents average daily sound exposure from exceeding 85 dBA.

**Dynamic EQ**
Optimizes voice quality on calls and automatically adjusts EQ settings when listening to music or for multi-media playback.

---

NEW MDA200™
Belonging to our UC Enabler category, the MDA200 headset communication hub allows a corded or wireless USB headset to connect to and switch between calls from both PC and desk phone.
MSRP: $129.95
